THE METAMORPHOSIS GROUP, INC. SELECTED TO PROVIDE DC COURTS "GREAT PLACES TO WORK" CONSULTING SUPPORT

VIENNA, VA, November 6, 2011 – The Metamorphosis Group, Inc. (TMG) today announced that it has been awarded a subcontract as part of Nelson Hart, LLC's winning team to support the DC Courts "Building a Great Place to Work" contract.

This contract includes services for consulting services in the areas of organizational development, leadership development, coaching, employee engagement surveys, action plans for employee engagement, strategic planning, team facilitation and training to support our ongoing "Building a Great Place to Work" initiative. TMG's contribution to this important project is to offer consultative services for Phases 3 and 4 to include systems (existing and planned) documentation, transition planning, communications and change management, staff skill assessments and realignment recommendations for implementation of the plan.

TMG President, Tina Dante, stated, "Nelson Hart, LLC has a stellar reputation for finding top talent and consultants to engage. We are truly honored and humbled to be working with Jocelyn Davis and the talented and professional team she has formed."

About TMG (www.morphgroup.com)
